

Elevate Your Home's Elegance and Security with
Premium Steel Doors and Windows

Residential Catalogue

Introduction

Welcome to Ahlada, where craftsmanship meets innovation in the realm of steel fabrication. With a proud legacy of 20 years, we have positioned ourselves as leading manufacturers specializing in the production of Steel doors, Steel windows, and bespoke furniture catering to residential, commercial, and industrial sectors. Our dynamic team of 1200 employees, ranging from skilled factory workers to visionary designers, forms the backbone of our operations, infusing each product with dedication and expertise.

Spanning across a sprawling 4,50,000 square feet of cutting-edge infrastructure, our state-of-the-art factories boast a formidable plant capacity, enabling us to manufacture 30,000 doors and 50,000 windows monthly. At Ahlada, sustainability is a way of life. We are deeply committed to our planet, integrating eco-friendly practices into every facet of our product and operations. Above all, customer satisfaction remains our top priority, driving us to continuously exceed expectations and forge enduring relationships with our valued clients.

Why us?

At Ahlada, we prioritize providing exceptional service and support to our customers throughout their building projects.

Expert Advice

Our knowledgeable team offers expert advice to meet the specific requirements of each customer, ensuring the right builds for their needs.

Customer-Centric Approach

From personalized design consultations to attentive after-sales support, we ensure a seamless and delightful experience at every step. Customer satisfaction our top priority.

Customization

Crafting Doors that Suit Your Style

At Ahlada, we understand that every home is unique, and so are your preferences. That's why we offer extensive customization options to ensure our steel doors and windows align perfectly with your requirements. Whether you need doors in specific sizes or designs that match your aesthetic vision, we've got you covered. Our range includes over 80+ shade cards to choose from, you can select between solid colors and wooden finishes that enhance the beauty of your interiors and exteriors.

Additionally, we provide customizable hardware options, allowing you to select handles, locks, and fittings that complement your design preferences. You can also choose the orientation that best suits your layout, whether it's left-hand or right-hand opening configurations. With Ahlada, every detail of your door is thoughtfully crafted to meet your expectations.

10 - Year Warranty

A Testament to Uncompromising Quality

We take immense pride in the durability and reliability of our steel doors and windows. To demonstrate our confidence in their quality, every product comes with a 10-year warranty against manufacturing defects. This ensures that you can enjoy a worry-free experience with products that are built to last.

One of the standout features of Ahlada steel doors and windows is their ability to retain their original shade and color over time. Thanks to our superior manufacturing and coating processes, our products resist fading, discoloration, and wear caused by environmental factors. With Ahlada, you not only invest in functionality but also in beauty that endures. Our commitment to quality ensures that your doors and windows continue to look as stunning as they did on the day of installation.

Seamless Installation

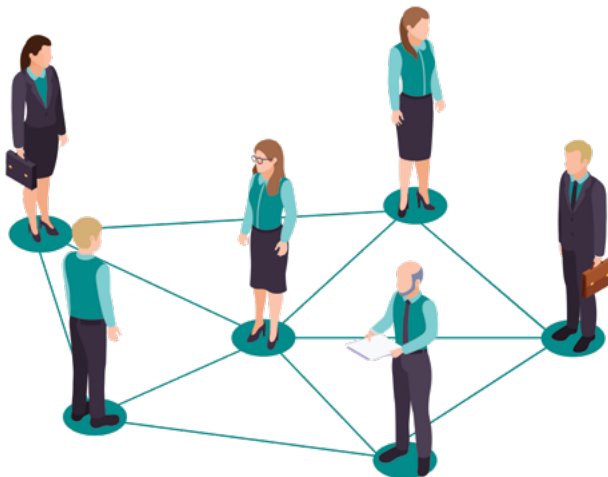

Simplifying the Process for You

At Ahlada, we prioritize making your experience smooth and stress-free, whether you're building your dream home or upgrading your existing space. Our installation process is designed to be efficient and precise, ensuring that every door and window fits perfectly and functions flawlessly. Whether setting up a new home or upgrading an existing one, we ensure that the initial installation is seamless, aligning with your construction timelines to avoid delays. Our team of skilled professionals works meticulously to deliver a perfect fit and finish with quick execution and expert handling

Extensive Distribution Network

Bringing Ahlada to Your Doorstep

Ahlada's robust distribution network ensures that our premium steel doors and windows are accessible no matter where you are. We've partnered with a wide network of trusted dealers and distributors who are committed to delivering the highest level of service.

Our distribution channels are designed to provide a smooth and convenient purchasing experience. From exploring our product range to finalizing your order and coordinating installation, our network ensures that every step is hassle-free. With Ahlada, you're not just buying doors and windows – you're investing in a brand that prioritizes quality, reliability, and customer satisfaction.

Visit our website at **www.ahlada.com** to learn more and find the dealer or distributor closest to you.

At Ahlada, we believe every home deserves the best doors and windows that combine unmatched strength, lasting durability, and timeless beauty. Our steel doors and windows are designed to protect your loved ones and enhance your home's elegance, all while being remarkably low maintenance. Invest in the best for your beautiful home with Ahlada Steel Doors and Windows.
